Memories of '69
recall weekends
of football games
And faces —
sometimes in the snow,
often in the rain,
But always in the spirit of victory.

FOOTBALL SEASON

Out of this world
and into a new one
of martians
and monsters
and outer space drizzle.

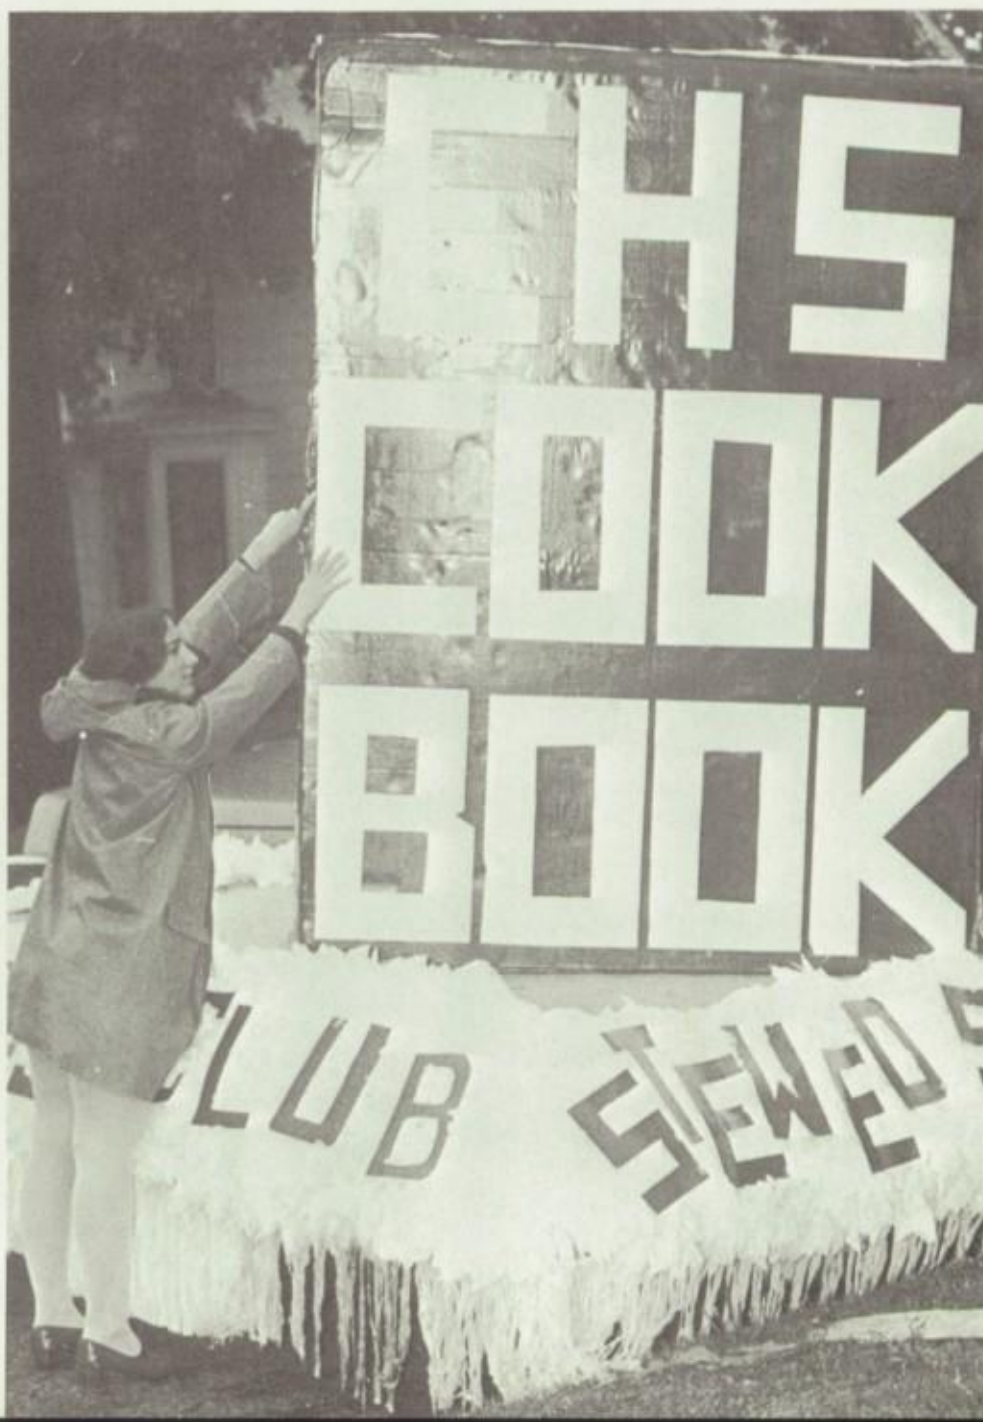

HOMECOMING '69

Although plagued by rain, wind and cold weather, Homecoming 1969 turned out to be a successful weekend for Elgin High School.

The parade of floats and cars, decorated under the theme of "Out of This World", and the EHS Band, marched through downtown Elgin after school on October 10 under a cold drizzle. The king and queen candidates were, (upper left) left to right: Ed Rockensock, Nancy Crassweller, Jim Bruskewitz, Vickie Tredup, Dennis Manic, Liz Hansen, Chuck Wasinger, Cindy Scarbrough, Cindy Lea, and Tom Rauschenberger.

Floats which floated
and puddles which puddled —
A homecoming never to be forgotten.

Despite the horrid conditions of a soggy field and continuous rain, the Elgin High football teams met to give St. Charles a tough fight. Our guys never gave in and St. Charles had to settle for a 28-28 tie.

Most of the brave individuals who came out to watch the game were soaked to the skin by half time and left soon afterwards. During half time the five Queen candidates were escorted under umbrellas through the mud to a make-shift platform where Nancy Crasswell-er was announced Queen and Chuck Wasinger, King.

The Senior Class sponsored "A Trip to the Moon" on Saturday night at the Elgin YWCA. Nancy and Chuck were presented a tiara and a loving cup amidst the lunar oriented decorations. Observing the tradition of a Senior bar-be-que on the Sunday of Homecoming weekend, the class of 1970 was forced to postpone it a week because of the continued rainy weather. Touch football was enjoyed on the muddy field at Trout Park, and all who came had a good time.

Truly "Out of This World" was Elgin High's 1969 Homecoming.

HOMECOMING '69

Toil and time,
frustration and stagefright,
Thrown together
to emerge at curtain time
a successful production.

November 21 and 22 marked the performances of this year's first school play, *The Diary of Anne Frank*, under the direction of EHS's new drama coach, Mr. Raymond Goettsch.

The Francis Goodrich-Albert Hackett play dealt with a young Jewish girl who, along with her parents and friends, took refuge in a small attic apartment during the Jewish persecution in Germany during World War II. Throughout her stay in the attic, the young girl, Anne, kept a diary of events which was the basis for the story.

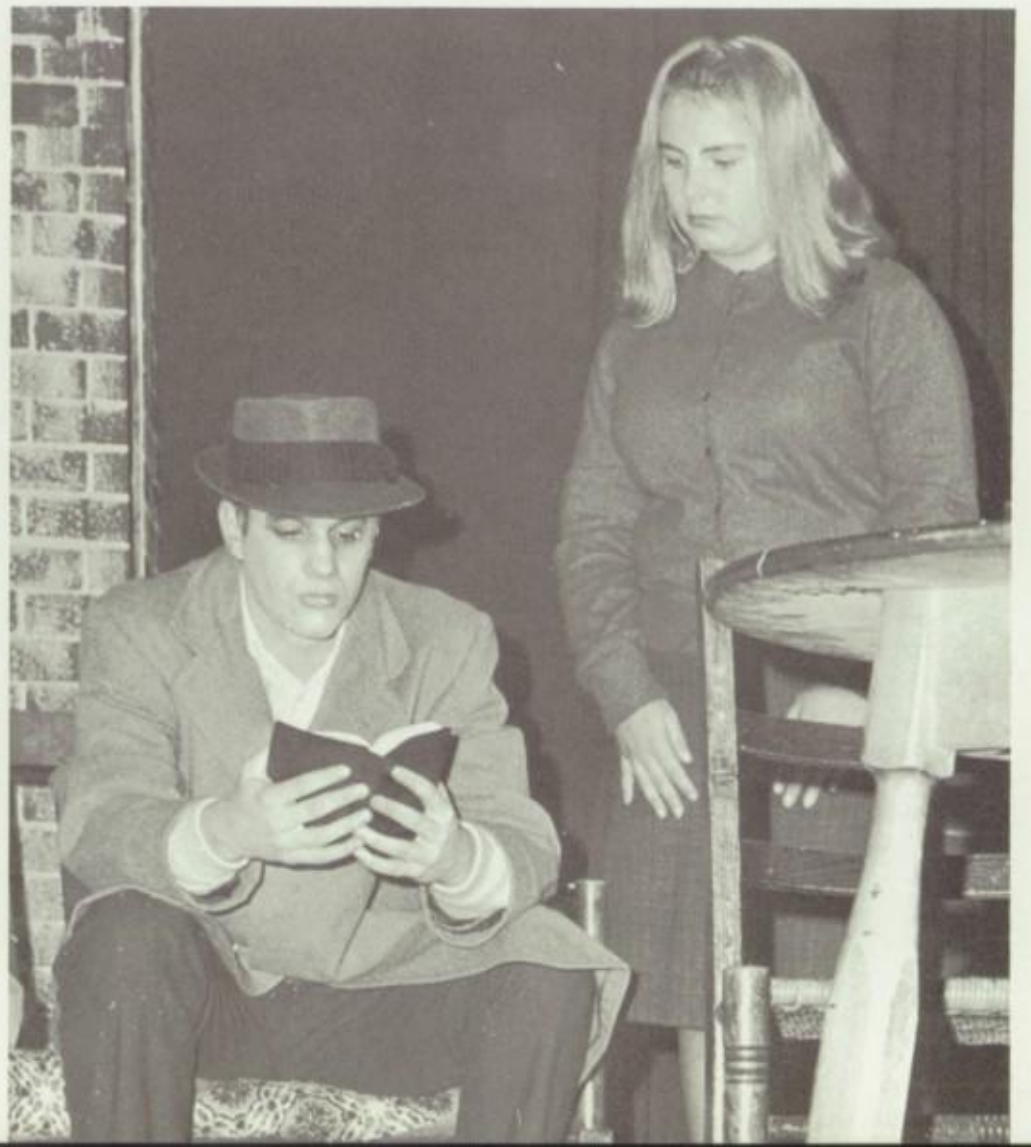

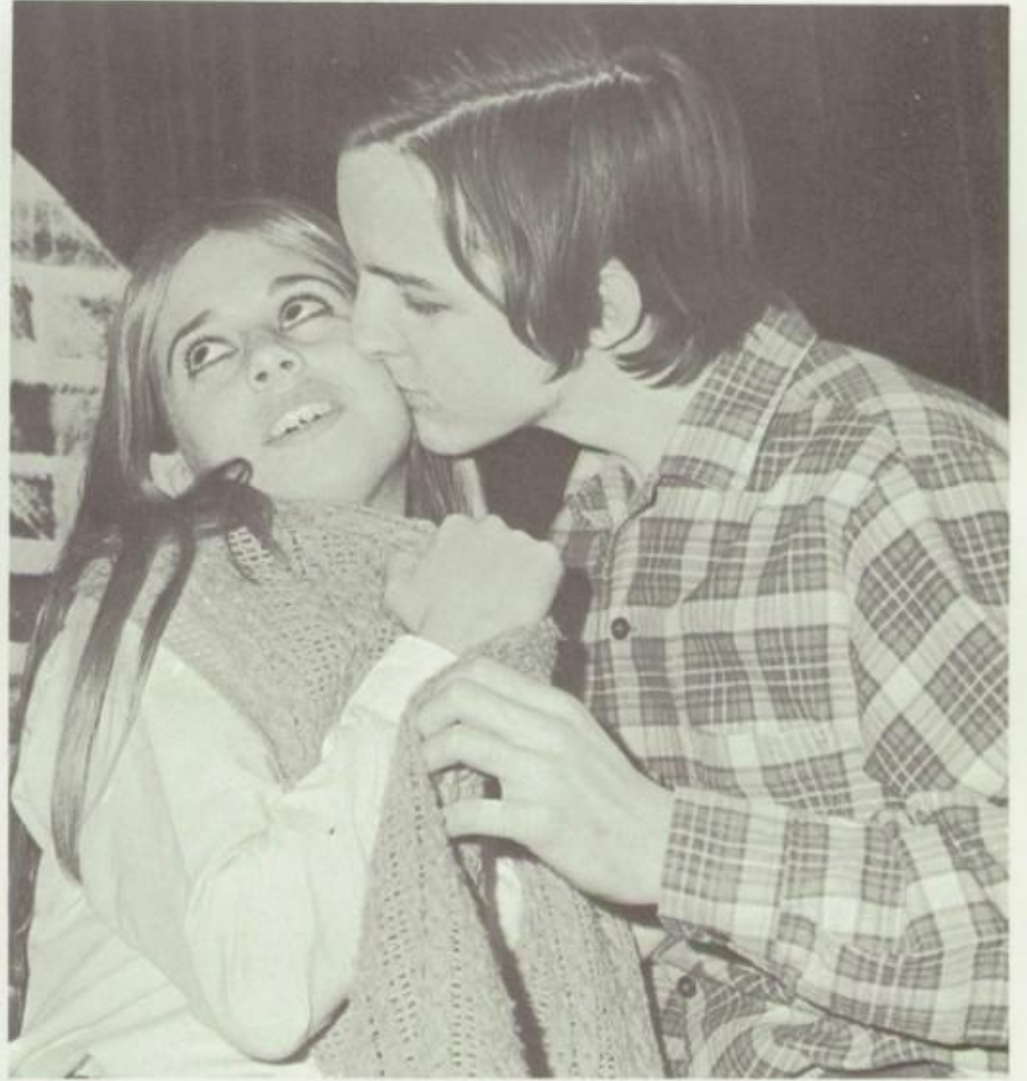

Although most students of EHS were familiar with the play, its success was not hindered due to the employment of devices which kept the audience continually alert. An example of this was the overhead screen and tape recorder which projected Anne's voice and picture while she was engaged at various activities before she went into hiding. Used during scene changes, it kept the play fast paced and enjoyable.

The cast members of the play were: Paul Whalen, Mr. Frank; Julie Ward, Miep; Alan King, Mr. Kraler; Ilze Kanips, Mrs. Frank; Mary Shorey, Anne Frank; Joan Spiess, Margot Frank; Paul Petrovich, Mr. Van Haan; Kim Sutter, Mrs. Van Haan; Steve Hill, Peter Van Haan.

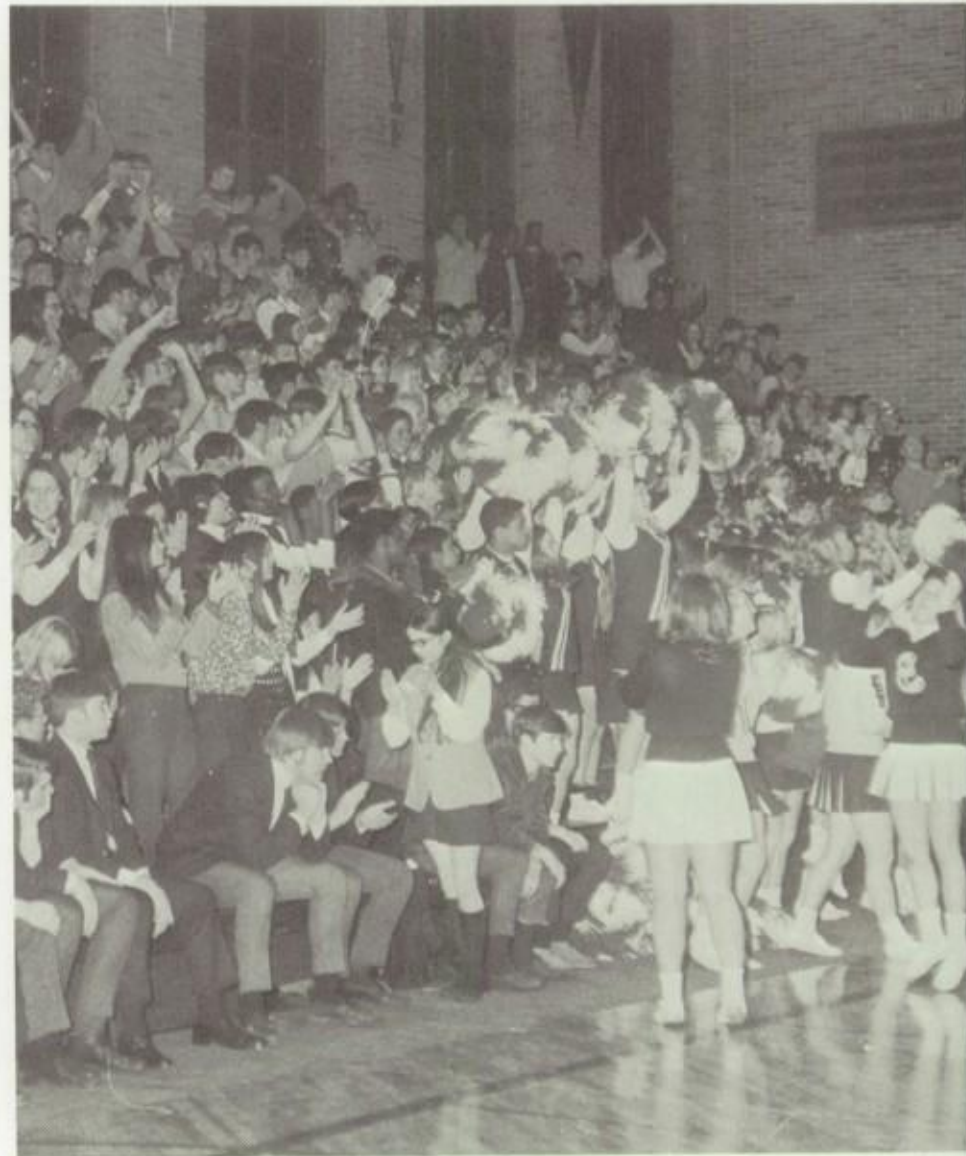

DIARY OF ANNE FRANK

Tense, aching nerves,
hoarse, screaming voices,
Blasts of "Big Spender"
and "we don't mess around!"
Our athletes' sweat gained victory
... and defeat.

BASKETBALL SEASON

In anguish
 In fear
 In death
 Wait those who watch
 The silent, black box
 Upon the stage.

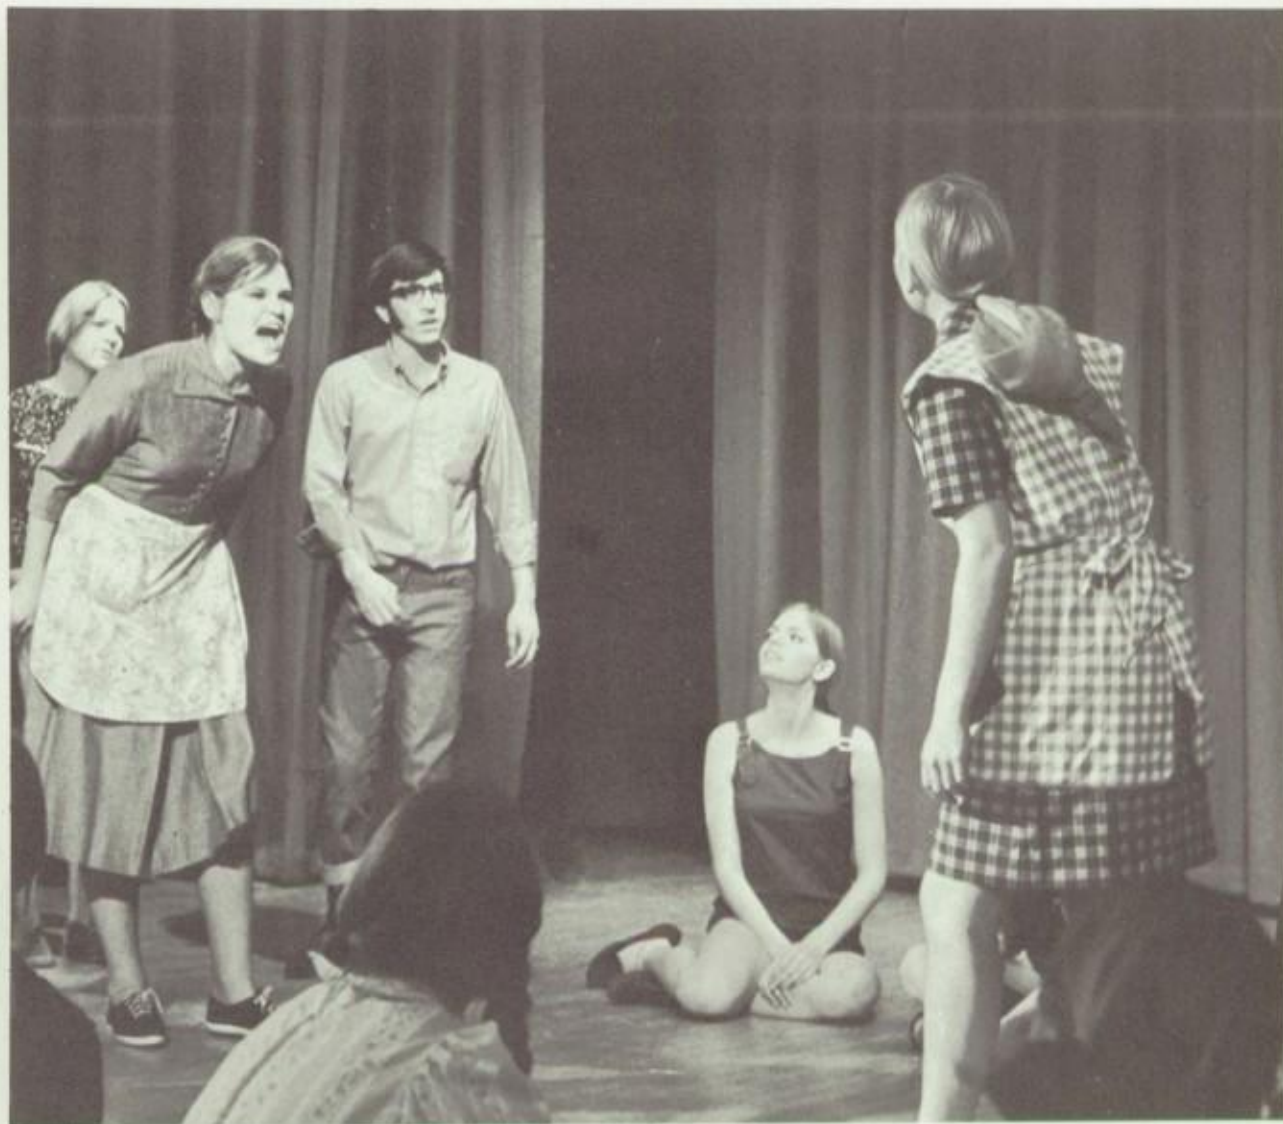

The Lottery, Elgin's choice for the annual drama contest, was an experiment conducted under the direction of Mr. Raymond Goettsch. The theme of the play was centered around tradition, while the overall plot dealt with a simple American town. It held a lottery each year with the winner being gruesomely stoned to death. Bringing attention to reality, the script was discarded and the entire production adlibbed, adhering only to the general outline. This gave the effect of reality and the actions were spontaneous. This production competed at: the district Forensics Festival where they placed eighth; the regional drama contest where they placed third; and the sectional tournament where they finished the series of performances with a tie for eighth place.

Members of the cast were: Dave Barnes, Mr. Martin; Sue Bartols, Susie Delacroix; Nancy Broker, Mrs. Townsend; Charles Buckhahn, Old Man Warner; Jay Burstein, Mr. Allen; Barb Choate, Barbie Adams; Marlyn Fees, Tessie Hutchison; Dale Goscinski, Mr. Delacroix; Mark Haeffling, Mr. Tuttle; Steve Hill, Dick Watson; Claire Holden, Claire Allen; Debby Incandela, Debby Tuttle; Alan King, Davy Hutchison; Ilze Kaneps, Mrs. Dunbar; Ann Kramer, Mrs. Watson; Steve Kuehl, Jack Wilkins; Jubi Monroe, Mrs. Burgess; Paul Petrovich, Joe Summers; Lorne Phelps, Mrs. Caswell; Rose Rutan, Melva Summers; Jim Sanders, Mr. Adams; Brad Schmicker, Tom Dunbar; Helga Skrastins, Mrs. Wilkins; Kristin Steensland, Kris Dunbar; Karen Strolmaier, Mrs. Foster; Martha Swanson, Mrs. Vincent; Sara Templeton, Miss Bessom; Julie Ward, Mrs. Graves; Carol Warren, Carol Tuttle; Cindy Wasmond, Mrs. Collins; Paul Whalen, Bill Hutchison.

THE LOTTERY

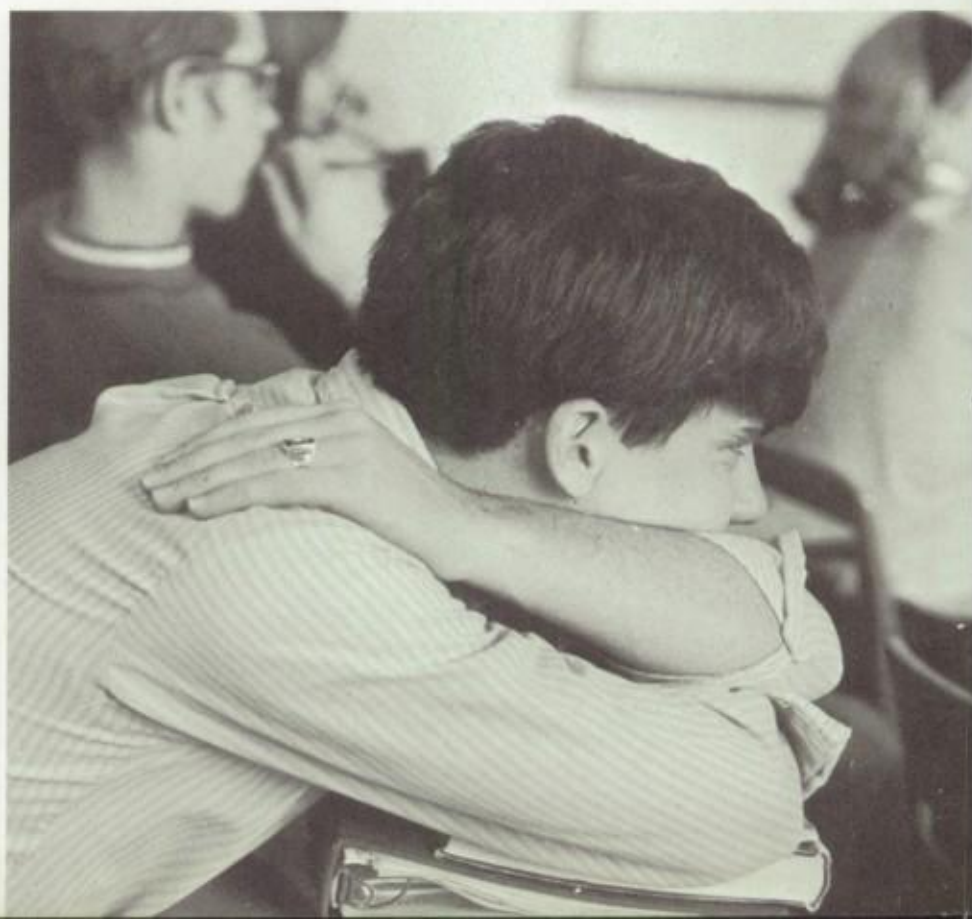

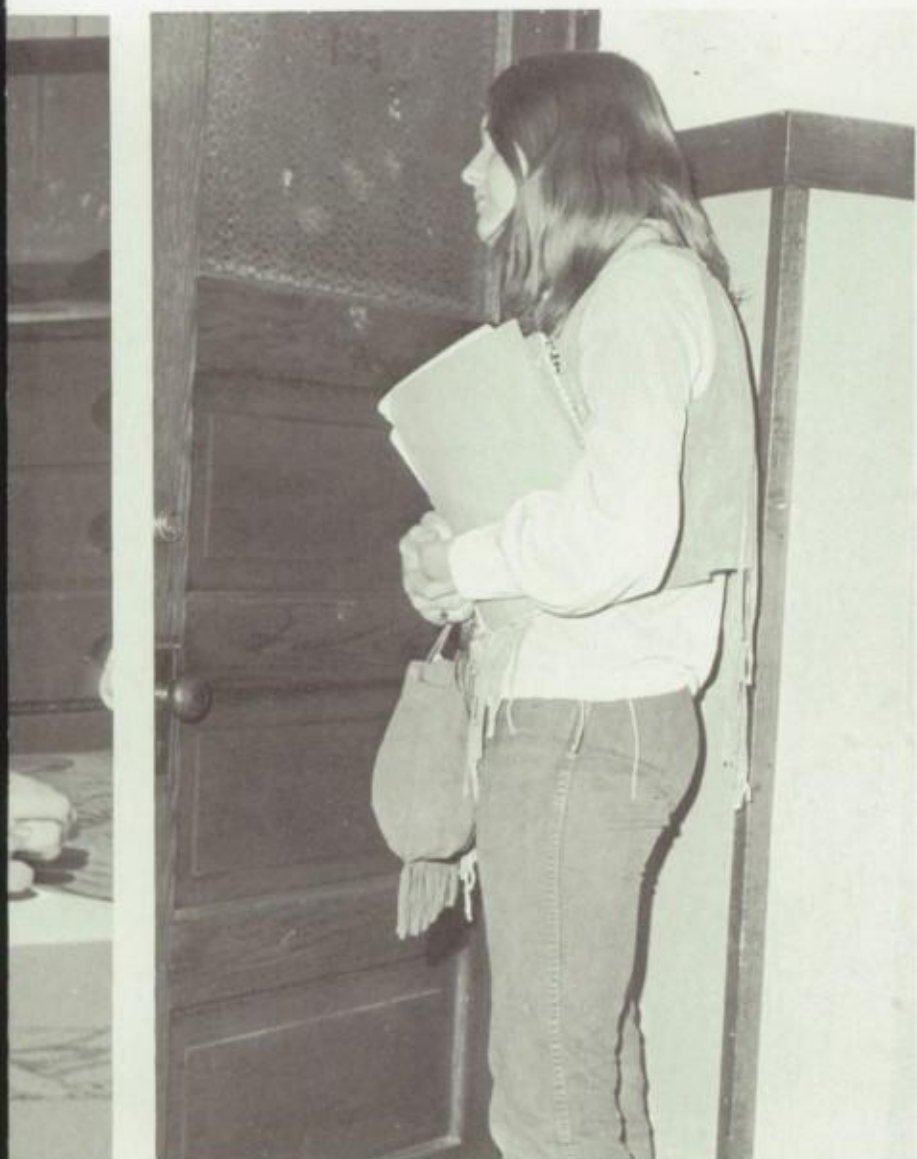

The present and school —
a never ending learning process
Through studying and sleeping,
understanding people,
And knowing just a little bit more
about yourself.

ACADEMICS

With Dad
for an evening —
In fun,
fellowship,
And just because you care.

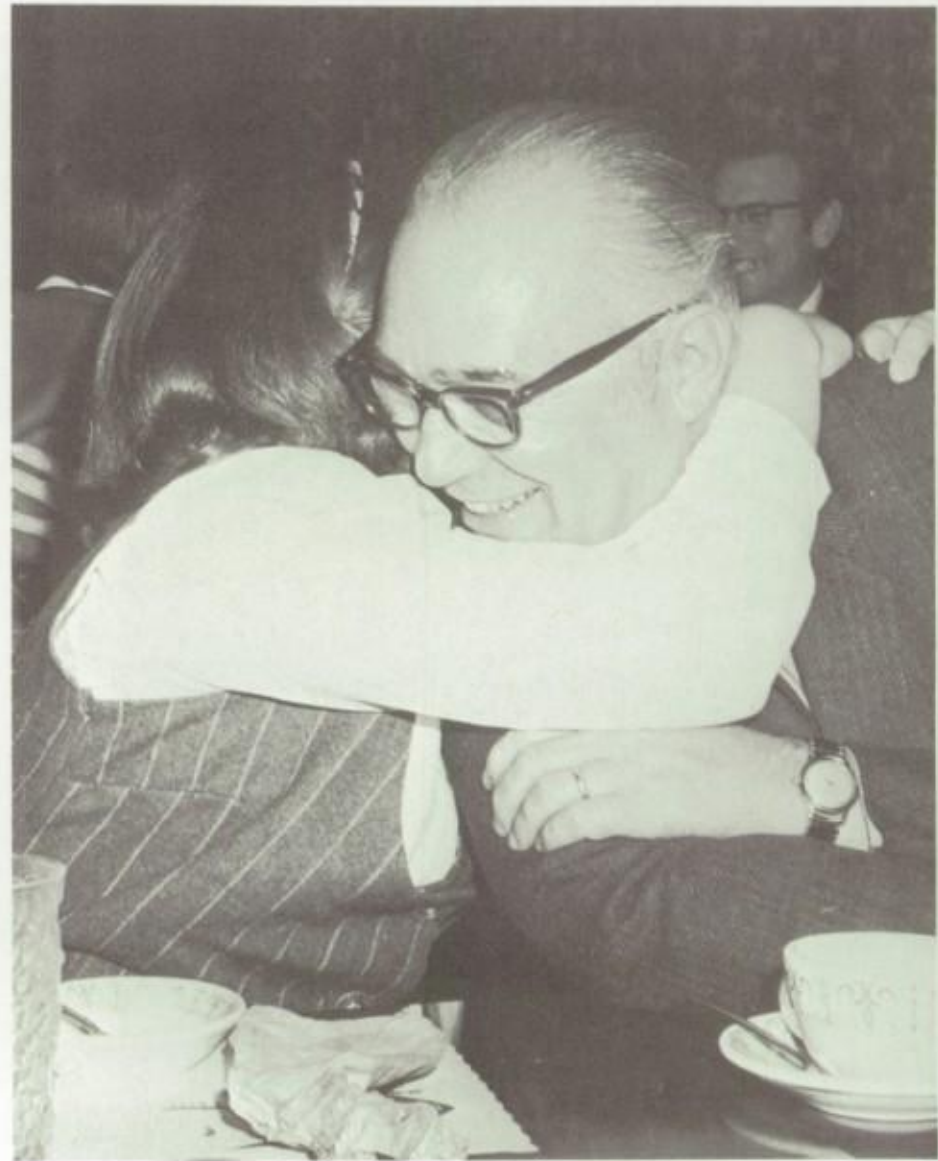

DAD 'N DAUGHTER DATE NITE

Dad and Daughter Date Night titled "A Vote for Dad" was held on February 17, 1970 at the Embers. After a delicious dinner the guest speakers, Sue Arnold and her father Mr. Ashley Arnold, started the presentation of a lively program of entertainment. Their speeches centered mostly on reminiscing the past.

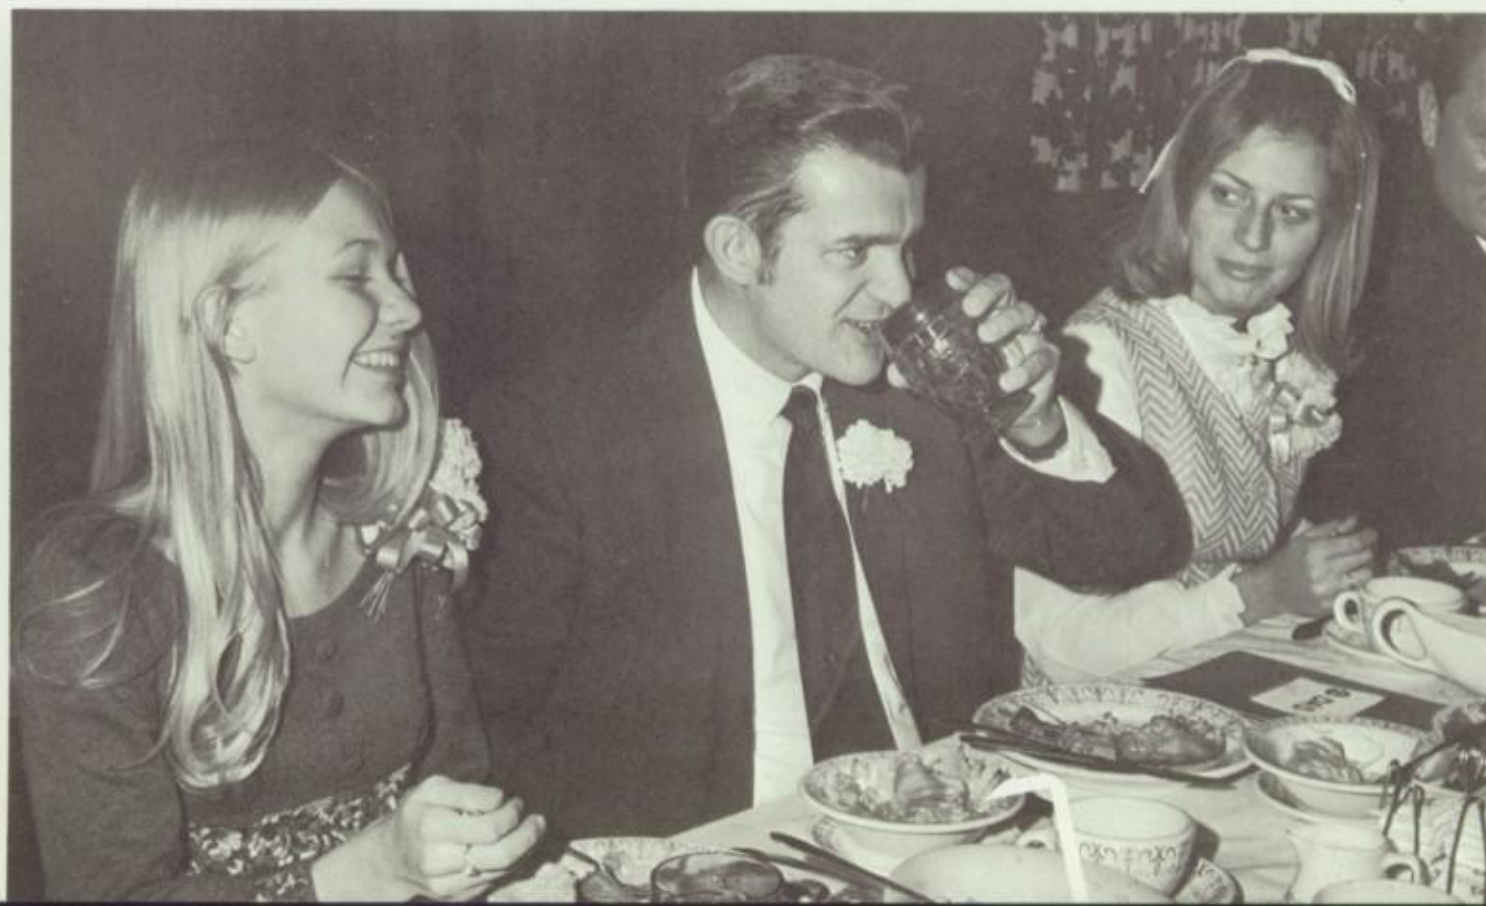

A hug,
a smile,
and bursts of laughter
All added to the problem
of eating fried chicken.

DAD 'N DAUGHTER DATE NITE

Miss Betsy West and the help of all the "Date Night" Chairmen presented the Senior Girls Sextet and Barbershop Ensemble, singing some of Dad's all time favorite songs. The program was brought to a close by a Duet and of course, class yells.

A time of formals,
flowers
And someone special.
An evening
To last forever
In treasured memories.

PROM

The day has arrived. The mood is right. The scene is warm. A wonderland of enchanting shadows meets the eyes of the beholders as they enter the transformed gym. Iron rod chairs, park benches, bushes and trees give the impression of a summer evening in the park. The center of attraction is the gazebo where couples sit to watch the dancers and listen to the band, The Seven Seas. A lovely summer place.

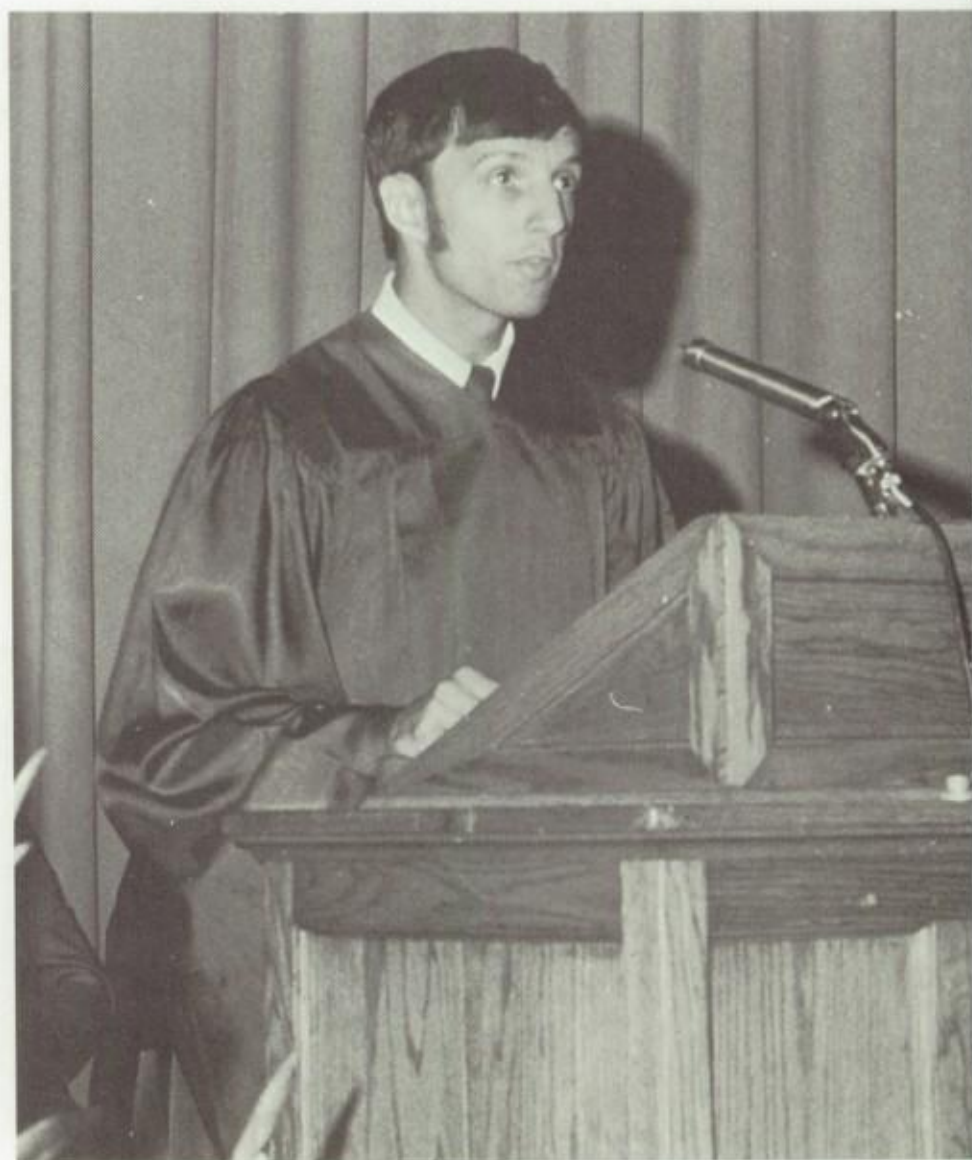

Coming to a close
with steps up to the platform
Are three unforgettable years
at Elgin High School
An end, yes —
but with it comes
Another world —
One of goals,
life,
and a new beginning.

The moment comes only once or twice in a student's life. The graduation speakers spend much preparing their speeches but the seniors' minds are elsewhere. The past comes back to life and the seniors reminisce their three years at EHS.

It is a time to stop and think about the future; what will it hold for us? No longer will we, as seniors, walk the halls of EHS, participate in pep rallies and assemblies, or rush to classes to avoid receiving a tardy slip. Classes of Government, Biology, History, and gym (where they attempted to make us co-ordinated individuals) are behind us now. Study Halls became almost impossible to stand, and skipping was easier than suffering through the whole, darn thing.

The end comes when that diploma is put into our hands. Now we must look to see what the future has in store for us. The old familiar walls of EHS will no longer surround us, for we now have the opportunity to see and challenge the world. Some of us will turn to the business world right away while other will seek higher education. But wherever we go or whatever we do, we will never forget our three most significant years of school at old EHS.

MAROON

Deadlines to meet, ads to sell, pictures to crop, photos that need captions, captions that need photos, and typing, typing, typing. So were the trials and tribulations of the Maroon staff.

Besides the traditional positions of editor and business manager, efficiently filled by Mary Spiess and Sue Witthuhn, a new position of copy editor was credibly performed by Karen Welu. Seniors Debbie Pazak and Cathy Kielsmeier capably assisted the editors; as did a large staff of underclassmen. Guided by the able hand of Mr. Al Daniels, they proudly presented the fifty-ninth edition of Maroon on Recognition Day to Principal Chester Alexander.

Elgin High School's Girls' Club had many activities open to all girls — some traditional, some varying in form, and some new activities never undertaken before this year. Traditional activities included Dad 'N Daughter Date Night, the Turnabout, the Homecoming float, selling mums, and the Big-Little Sister Picnic. Cleaning and polishing the trophies and display cases throughout the school became this year's service project, and brand new events were the Style Show and the Mother-Daughter Luncheon. Participation in graduation and the presentation of college scholarships to two senior girls took place at the end of the year. Under the helpful sponsorship of Miss Betsy West, the Girls' Club led a very busy and successful 1969 — 1970 in the life of Elgin High School.

E CLUB

"Modest in Victory, Gracious in Defeat", is a motto which has prevailed at EHS for many years. This motto has been the basic philosophy of E Club, in conjunction with its' main objective of promoting athletics and sportsmanship.

There have been many traditional projects maintained by E Club, such as the coat check room at basketball games, a season ticket basketball raffle, and the selling of Elgin High School decals. A new project which was taken up by the club was the selling of Elgin Maroon seat cushions. This is traditionally an exclusive group of young men, and the requirements for joining are a major Varsity letter or two minor letters. The E Club met once a month, or when there was business at hand. The officers for this year were Dennis Manic, President; Steve Ward, Vice President; Charles Buckhan, Treasurer; and Kerry Sund, Secretary; with adult advisor, Mr. William Chesbrough.

Prepared for progress into the new decade and for the benefit of EHS's spirit and students, Pep Club was reorganized to form a new system which, along with long lasting support, sent the EHS spirit soaring into the 70's. The new Pep Club was headed by chairman, Pat Van Alstine and advisor Mr. William Chesbrough. The new committees set up this year were divided into categories of buttons, buses, new ideas, and signs.

Activities for this year ranged from selling stationary and cushions to the "DO IT" buttons which have become a real part of EHS enthusiasm along with the male pep section and pep band. Due to the new policies and board, the desire to show their school support sent EHS spirit flying higher than ever before.

POM PON

In its second year of existence, Elgin's Pom Pon Squad kept spectators in their seats during halftime activities at home basketball and football games.

The twenty girls worked out a minimum of four times a week to perfect routines. They were chosen in spring tryouts for their rhythmic ability, appearance and poise. Lynn McGraw and Diane Weidner were elected co-captains. Mrs. Turek, advisor; gave the squad nearly all responsibilities in getting their shows together and aided them by providing films of their routines for self-improvement.

For the first year, the Pom Pon girls entertained at the football games.

The Spark of school spirit at Elgin High is ignited by the cheerleaders. This year, the Varsity and Junior Varsity squads, under the coaching of Mrs. Toni Zimmerman and the leadership of captain Nancy Crassweller, did a great job of keeping up the morale of the school. The cheerleaders were chosen for their athletic ability, natural enthusiasm, and their poise. Besides acting as hostesses for visiting teams, they also served as a bridge between the teams and the fans. The goal of the cheerleaders was to develop pride, in the teams and the Elgin High tradition.

John Pappas was producer-director and Mr. Donald Tuttle was chief engineer. Students broadcasted programs including interviews, sports events, and news of the school district from the main studios located in Elgin High. Classical and pop music, and a sing-a-long for elementary schools were featured.

WEPS celebrated its 20th year of serving Elgin on January 20, 1970. The day was devoted to commemorating the history of WEPS.

MIRROR

A high school newspaper should not only serve as a record of the school year but also as a means of reflecting the opinions of the students themselves. Again this year, the *MIRROR* successfully fulfilled these two requirements.

Having a large, competent staff at their disposal, the editors, along with Mrs. Margaret Kuntzelman in an advisory capacity, were able to put together a bi-monthly newspaper which not only informed the EHS student of the news events, but also interpreted some of this news through editorials.

A slightly new format for the paper was also created this year with the introduction of such columns as "Kooky Zodiac", "Bits and Pieces", and "Concerning Us" and the removal of "Through the Peekhole", and "Cool Gent".

Reorganized under the direction of Mrs. Louise Brown, the Future Teachers Club had a successful year, presenting wide opportunities of service to all EHS students interested in entering the teaching profession.

Among the activities were tutoring at schools, a field trip, and a Spring outing. The members also viewed and discussed a variety of movies concerning their future profession with their officers, Kathleen O'Shaughnessy, president; Grace Pompe, vice-president; Carmen Taylor, secretary; Kevin Baum, treasurer.

FUTURE NURSES CLUB

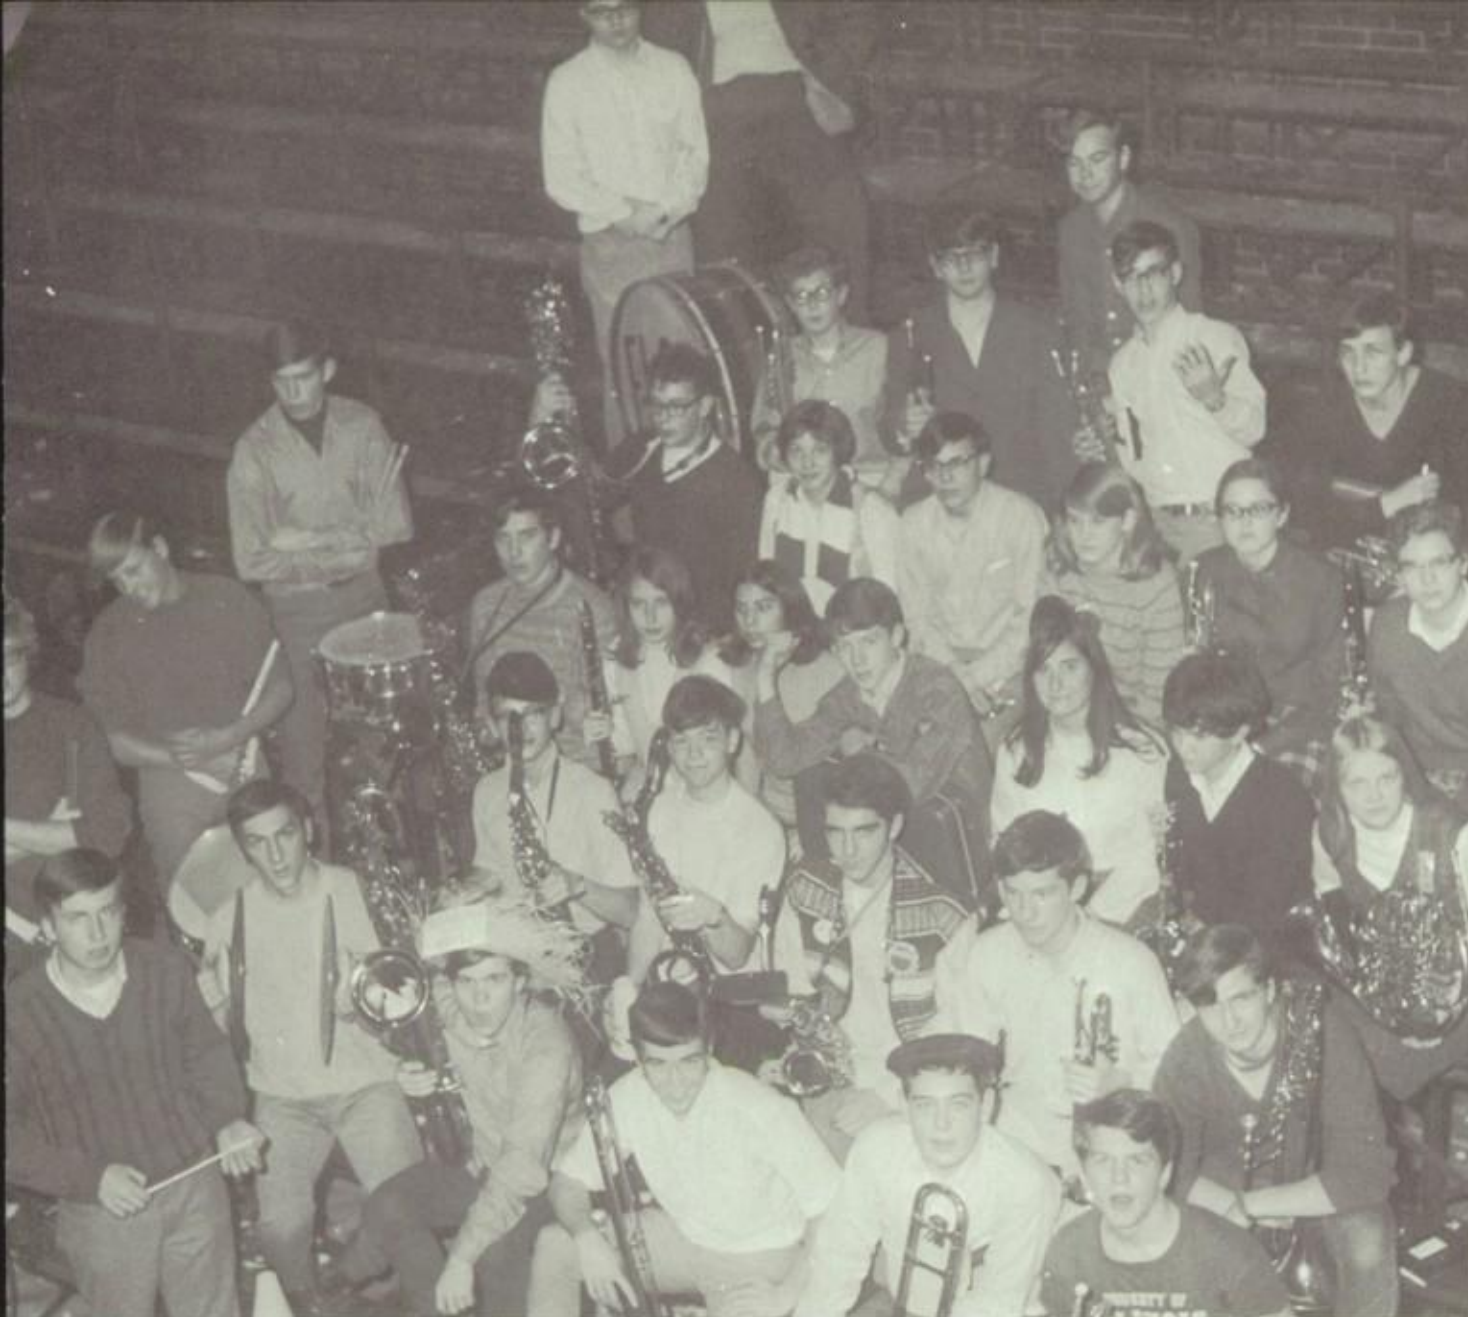

The Future Nurses Club strived to inform and assist students in selecting their career in health.

The leaders of the club, all under the supervision of Mrs. Charlyn Bonucci, were Sherry Sund, president; Kim Lichtenberg, vice-president; Maureen O'Shaughnessy, secretary; and Kathy Miller, treasurer.

The Future Nurses Club participated in many activities of the community and listened to many speakers from various hospitals.

PEP BAND

The enthusiasm of the crowds at basketball games was due, in part, to the performance of our great Pep Band. Under the directorship of senior, Larry Kaptain, the band attacked such numbers as "The Stripper", and "Big Spender". They also accompanied the Pom-pon girls during their halftime routines.

FORENSICS

This year, under the Forensics program, Debate and Individual Events were separated to allow for more depth and experience on the teams.

Elgin's debate team proved to be one of the largest and most enthusiastic in recent years. The team, made up of Varsity, Junior Varsity, and Novice squads, proved instrumental in forming the new Fox Valley Debate League. During the Past year the debaters participated in about 18 contests covering the topic, "Resolved: Congress should prohibit unilateral US military intervention in foreign countries", and achieved the most successful season in recent years.

New in 1970 was the individual events team, who worked in several categories of speech, ranging from serious and humorous readings to original oration, prose reading, and other events. The team during the past year was aided greatly by the addition of several new seniors and a large number of sophomores.

NEWS BUREAU

In its fifth year of representing EHS in the Courier News, the News Bureau provided a vital link between the students and the community. Not only did they help inform Elginites of school activities but also provided important publicity for these events.

The students on News Bureau were given the opportunity toward on a professional basis with the city paper. Miss Burns, the advisor, worked to increase the students interest in journalism.

ASSEMBLY COMMITTEE

Probably one of the most appreciated committees at Elgin High School is the Assembly Committee.

The purpose of the committee is to eliminate dull, boring and unimportant assemblies and make sure the necessary ones are interesting.

The committee has the responsibility to make sure all the assemblies are well planned and well rehearsed.

The advisors to the Assembly Committee were Mr. Enrietto and Mr. Blewett.

The officers for the 69-70 year were Lorna Shumake, President; Chris Susarrey, Vice-President; Terri Roth, Secretary; Sue Cockran, Treasurer; and Mrs. Maxine Turek, sponsor. The cabinet was composed of girls elected from each gym class.

Great enthusiasm was displayed when many girls helped to put on such activities as a demonstration of girls' athletics, a social dance, Dad and Daughter Bowling Outing, and a Sports Banquet.

The silent minority of Elgin High School can only be found in the audio-visual department. The AV boys gave up their time to help teachers and students obtain every audio and visual Media possible. They also helped set up the Public Address System for the school assemblies and basketball games. The organization was sponsored by Mr. Allen Graffam.

AERONAUTICS

Aeronautics club was formed to teach students the techniques of operating a radio-controlled airplane. The boys build their own planes and race them against others. The year's agenda included the annual meet with Niles West. Under the supervision of Mr. Sherman Ovelman, the club, together, built a plane called the "Eagle" and entered it in the annual meet.

MONITORS LOUNGE

For a Senior, many privileges are granted, including the use of the Senior Lounge instead of having to sit through study halls. No teachers supervise the lounge but monitors take attendance and keep the noise at a minimum. Playing cards, listening to music, or just gabbing with friends can only be achieved down in the lounge.

Distributive Education, a program of instruction in marketing and distribution, developed a vocational understanding, social intelligence, and leadership in every student enrolled in this course of study. Mrs. Halat and Mrs. Bauer advised and assisted the students with their project.

CHESS CLUB

Chess Club, although still young in years, gave the students a place to unwind after a day of classes. The club was open to any EHS student interested in chess. Meetings were held on Tuesday afternoons and the officers for the 69-70 year were: President, Guntis Sprenne; Vice-President, Bill Henryson; and Secretary-Treasurer, Eric Sprenne; sponsor, Mr. Steiben.

ORCHESTRA

For the first time, the Hemmens building was the setting for many concerts this year. The Messiah was the first, with orchestra and Senior A Cappella Choir both on the stage. The orchestra also accompanied the Choir in the annual Fall Frolics.

Something new had been added and that was the white formals worn by the female members of the orchestra. These were worn at every concert.

In the Spring, the orchestra traveled down to Southern Illinois University with the Senior A Cappella Choir to perform for the Music Department. Two assemblies and a Spring Concert were also on the agenda for this year.

BAND

The Elgin High School band had a busy schedule this year. They performed various halftime activities at home football games. With the coming of winter, the concert band season began. They performed two assemblies, one at EHS and one at Tefft Junior High. The annual Winter Concert with Senior A Cappella was held at the Hemmens Auditorium and in February they performed at Hudson College. Concluding the year's activities was the State Music Festival in April, The Spring Concert in May and marching in the Memorial Day Parade.

SENIOR A CAPPELLA

The Senior A Cappella Choir presented an unusual program at Fall Frolics — "Through the years — EHS (1869 — 1970)." The choir later performed the annual "Messiah" program with the orchestra in the new Hemmens Auditorium. They later returned as guests to sing with the Concert Band in their Winter Concert.

In the spring, the Senior A Cappella Choir traveled down to Carbondale to perform for the music students and teachers of Southern Illinois University. On the trip home, they stopped at the University of Illinois at Champaign — Urbana.

The Hemmens Auditorium was again used for the Spring Concert and proved to be a very successful event.

Among the numbers they sang were "A Time for Us" and "Whistlin' Dixie." In the Spring, tryouts were held for membership in Junior and Senior Ac and Girl's Choir.

Tryouts for Senior A Cappella were held in the spring. Daily warm-up exercises (consisting of vocalizing for about five minutes) were part of the routine. The rest of the class time was spent in the hard work of getting the programs ready for public performances.

ATHLETICS

FOOTBALL

Members of the Coaching Staff are; *LEFT TO RIGHT*; Ron Freedlund; Irwin Johnston; Thomas Gardner; Dick Stephens, Head Coach; Marvin Elbert, Stan Donegan.

Pride makes a team move, and the Elgin High Maroons proved that statement decisively. On their home field the Maroons chalked up a total of 164 points offensively allowing only 80 points defensively. These point totals include the 28-28 Homecoming battle. Mr. Richard Stephens, the new Varsity head football coach, left behind an impressive record in Michigan to take on the challenging assignment here at E.H.S. He emphasized pride to his team, pride which beckoned a player to give all he had while playing. They showed the results of his coaching in front of large home crowds, as they were 4-0-1 on the gridiron turf of Memorial Field. A combination of talent, pride, determination, and desire gave Elgin their best season in recent years.

Locker rooms are more fun after a win.

Coach Stephens depended on the talents of senior co-captains Dennis Manic and Ed Rockensock.

Sammy Croom's speed was one of the pleasant surprises of the football season.

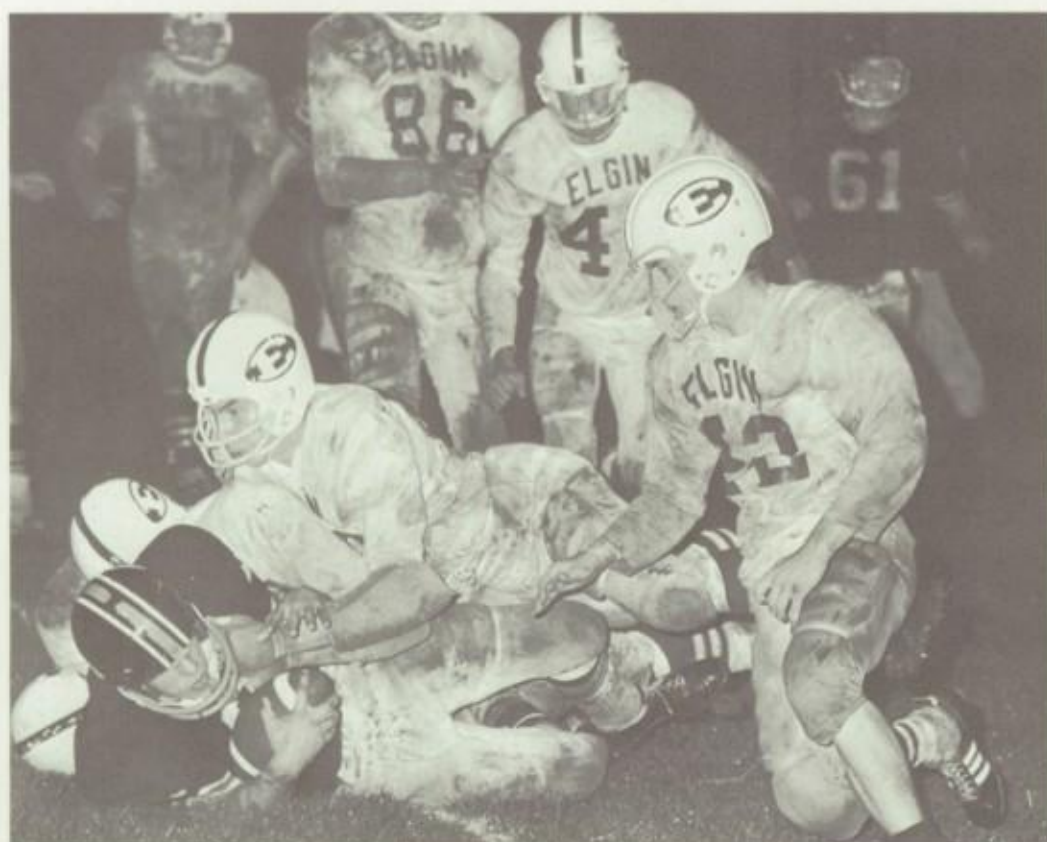

One of the Maroon's strengths was a number of scrapping ball carriers like Larry Ervin.

Quarterback Wasinger kept the defense "honest" all year long.

Chuck Wasinger ran the "keepers" and "sneaks" to perfection.

Elgin exhibited its lessons in gang tackling.

JUNIOR VARSITY

Few in numbers, the J.V. didn't do as well as they would have liked. Under the direction of Mr. Gardner, they forced their opponents to earn each victory. The highlights would have to include the grueling battle against St. Charles, which ended in 0-0 tie and the heartbreaking loss to Larkin in which the Royals scored the winning points in the last minutes of the game. With the experience gained by these Juniors, they will add talent and depth to the Varsity next season.

On the Sophomore level of competition, winning is not the main objective, rather it would be laying a foundation for a future Varsity team. With an infraction of I.H.S.A. rules, the Sophomores were suddenly struck with an 0-9 record, whereas it would have read 1-7-1. This would have included a 30-6 victory over Rockford West and an 8-8 tie against the Royals which was concluded with a last minute goal line stand by the Maroons. Due to the infraction, both games were nullified. The year was not an entire waste for there were many players who showed talent and desire.

Though a minor sport at E.H.S., a new awareness has been brought to Cross Country. There were more fans at the meets than there had been in recent years. The sport being individualistic in nature, the success of the team depends on the individual. The young men who participated in the sport exhibited a great deal of stamina and desire. As a product of this desire the Harriers swept a tough district meet, a first in the history of the school. The anchormen for the team would have to include: captain, Charles Buckhahn; Glenn Lyle; Pat Driscoll; and two sophomore runners, Roger and Rodney Hopkins.

WRESTLING

How can a wrestling season without a single victory in dual meet competition be considered a successful season? Well, the losses must be by a margin so small that a single additional individual victory would have meant a team win. There must be key men injured whose abilities would have brought success. Elgin's Varsity Wrestling team had such a season. Once again directed by Coach Irvin Johnston, the team was exciting to watch and easy to be proud. Captain Tom Rauschenberger, below left, a senior with a three year record of 67 wins — 10 losses — 3 ties, placed second in his weight class at Sectionals, qualifying for the State finals. Larry Ervin, below center, champion of his weight division on the Sectional level, was one of the year's pleasant surprises. Al Patrick, below right, who even with a rib injury would not quit, finished third in the Sectionals.

The purpose of sophomore wrestling is to give boys the experience they need in the mature sport of wrestling. When a team meets competitors from four year high schools and those with junior high programs, not much is to be expected in terms of win-loss records. Although Elgin's sophomore record showed 0-13, the experience they gained will be important next year when competition is equalized. Ron Lyle, who sported a 10-3 record, was the outstanding sophomore wrestler.

Team effort is vital to the game of basketball. When five young men decide to work together on the basketball floor the heights which can be obtained are unpredictable. This was the course of the 1970 E.H.S. Maroons, coached by Mr. William Chesbrough, Sr. Plagued by a rash of injuries and a shifting lineup, the Maroons began the season with an erratic 1-8 record. There was a complete turnabout of play at the Proviso West Holiday Tournament in which a tough defense and percentage shooting was the keynote to follow the Maroons throughout the remainder of the season as they compiled a 14-11 overall record.

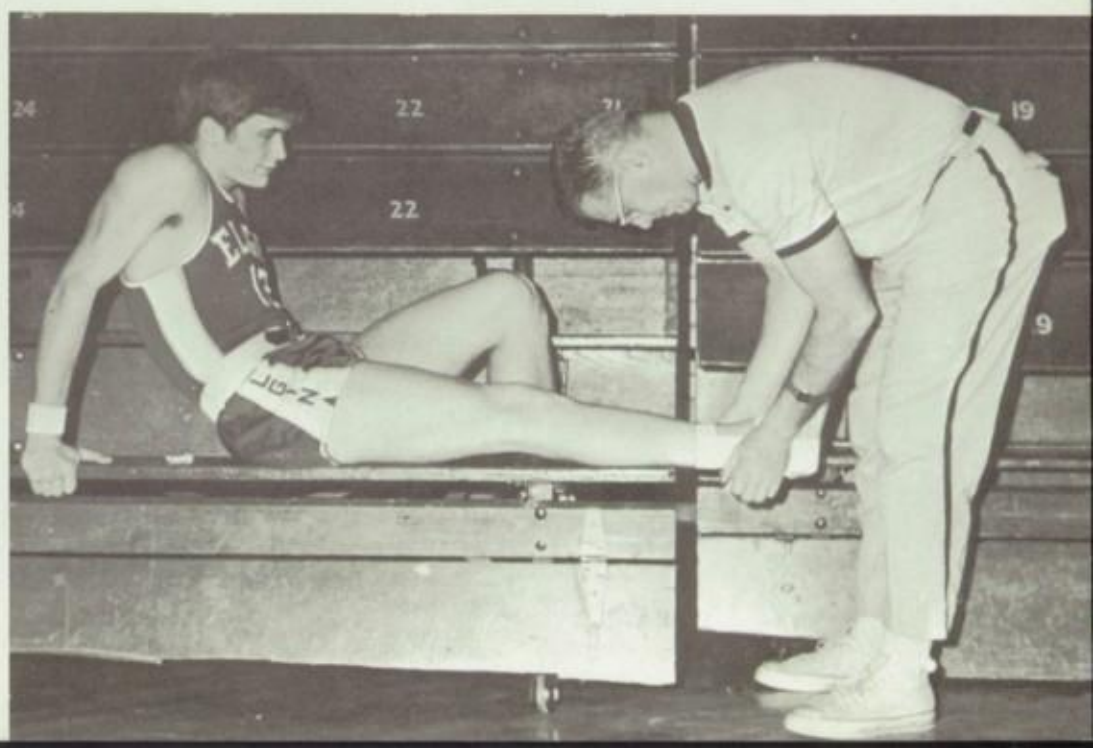

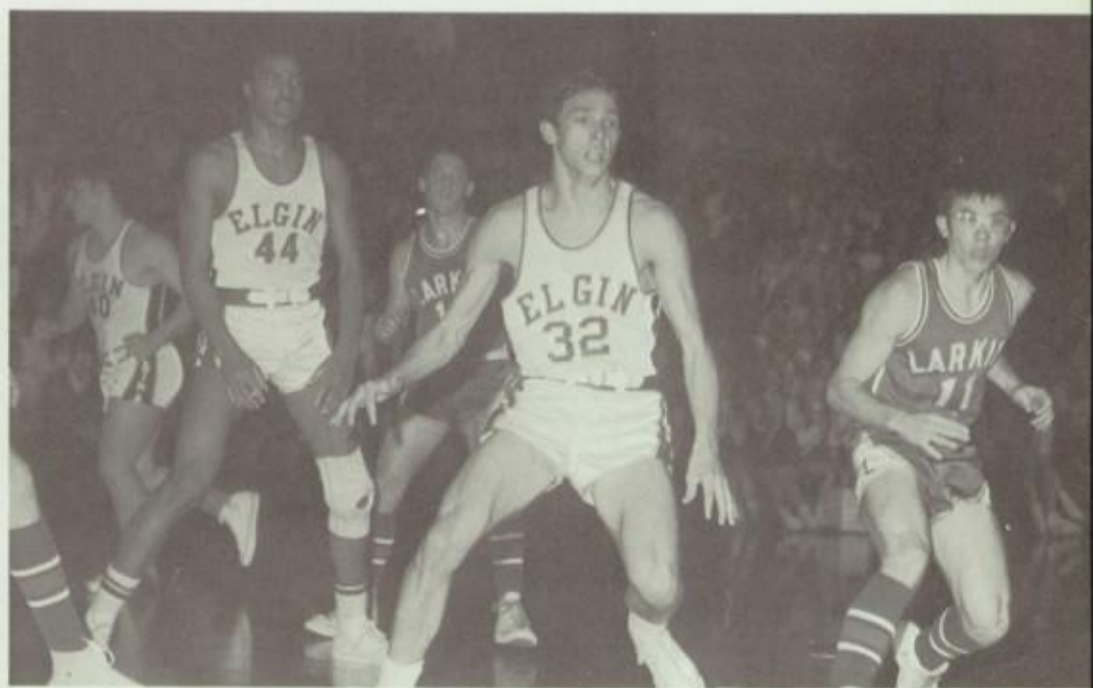

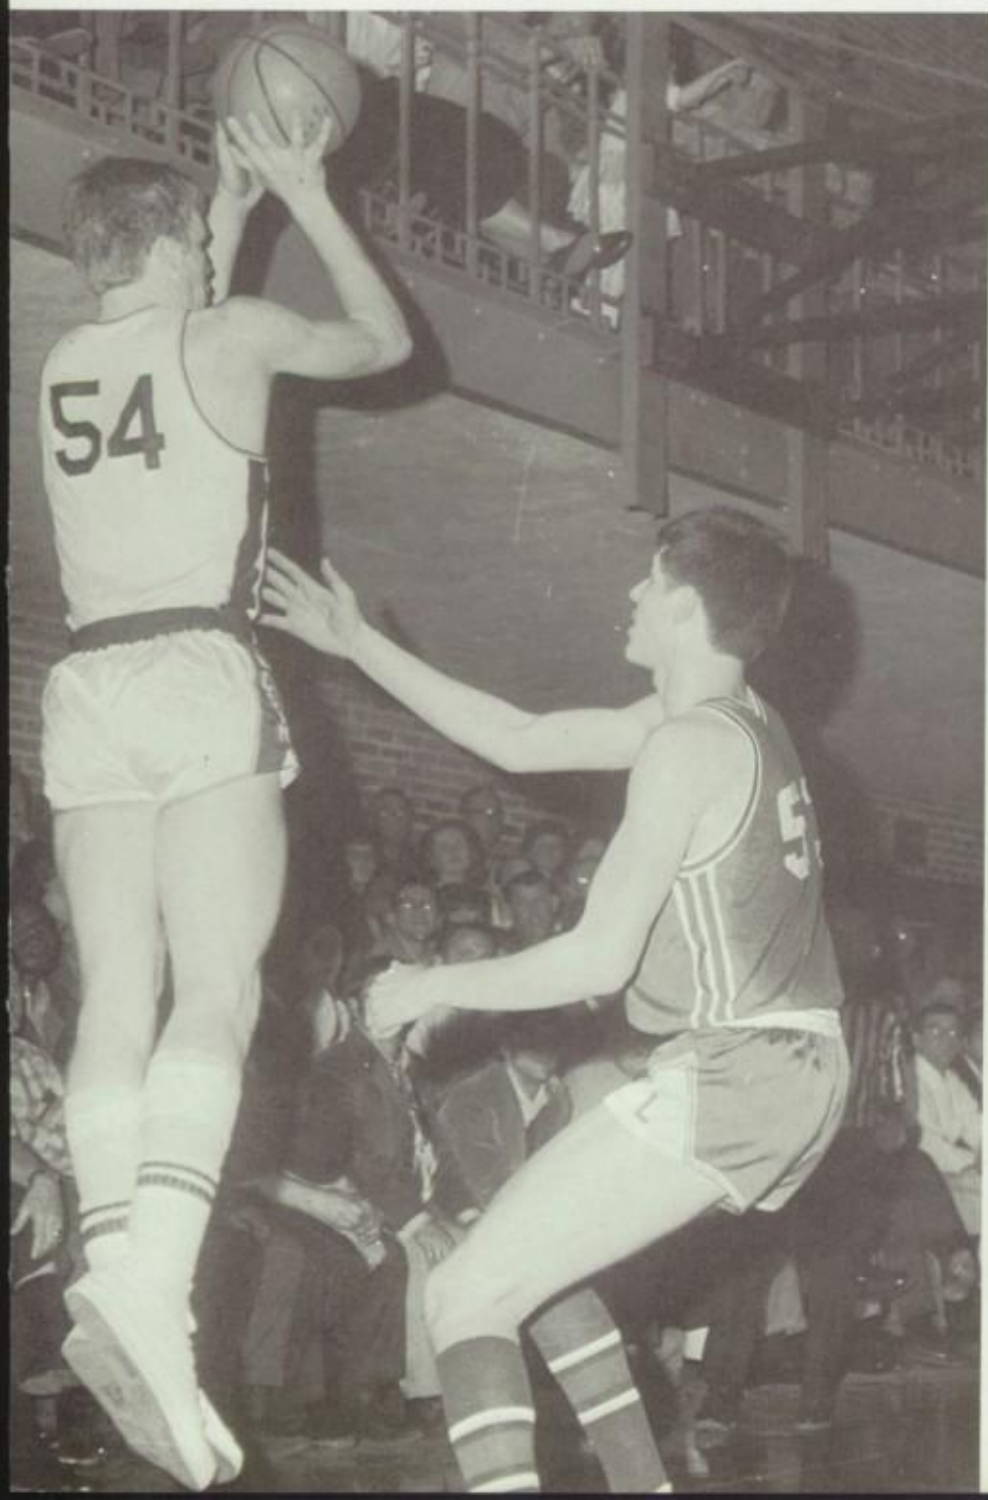

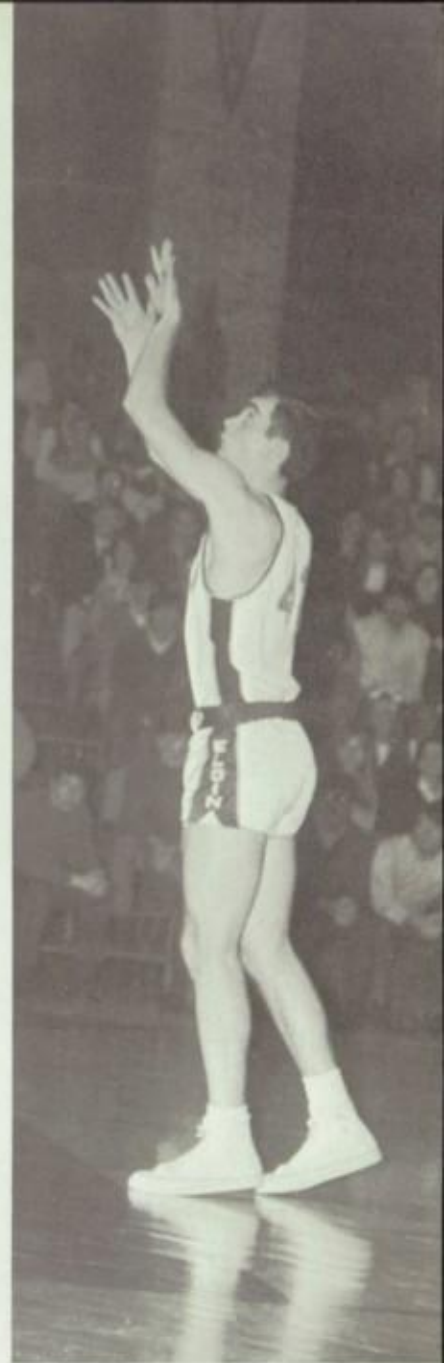

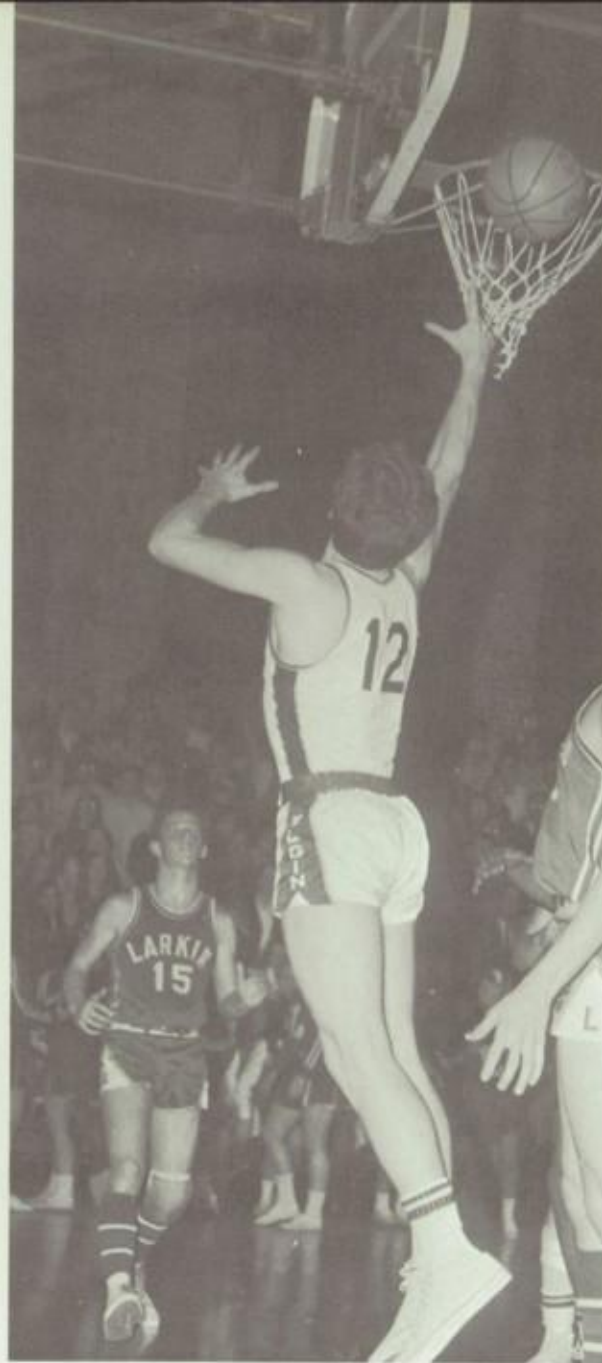

The record of 5-17 doesn't exemplify the Junior Varsity Team, coached by Mr. Paul Hudgens. Toward the end of the season the team began to play well together showing promise for the Varsity team next year.

Although their record did not show it, the Sophomore Basketball team of 1970 certainly achieved their objectives. The Coaches, Glen Lose and Robert Gilliam drilled the team, in order to develop their natural talents into mature players.

Half of the season had gone by before the Sophomores started playing as a team, and as a result they won the last seven out of nine games.

Co-captain Sam Jones, along with Willie Evans, Joe Shales and Mark Wisser, led the young cagers with an overall record of 16-10.

Using the Villa Olivia Country Club as the home course, the Elgin High Golf Squad finished the 1969 season with a 1-6, won and lost record, beating East Aurora for its only conference win. A two-stroke lost to Larkin was particularly difficult to accept. Seniors Darrell Ackmann, the Schneider brothers (Paul and Greg), Joe Tenaglio, and Gary Beu led the 1969 edition of Fairway Foragers. Joe Miquelon and Tom Johnson will return as lettermen to form the nucleus of the 1970 squad. Coach Ed Svanoe is still at the helm of the golfing Maroons.

SWIMMING

Handicapped by sharing the "Y" pool, the Elgin Maroon swimmers, nevertheless, have become (and promise to continue to be) powers in the Upstate Eight Conference. The swimmers' day began with a 6:00 a.m. practice and involved self-sacrifice not required of athletes in some of the major sports.

Under the direction of Coach James Hamrin, this year's team finished second (behind Naperville) in the UEC, with a 6-2 record.

Elgin was led by seniors Jim Bruskewitz, Mike Groves, Paul Burris, and juniors Steve Rakow, Jerry Messman, and Tom Lenz.

The JV swimmers turned in a good season, compiling a 9-8 overall record. Coach Hamrin is looking especially toward Jim Dwyer, Bruce Morton, Greg Bruhn, and Dave Bell and their mates to bring swimming triumphs to Elgin High.

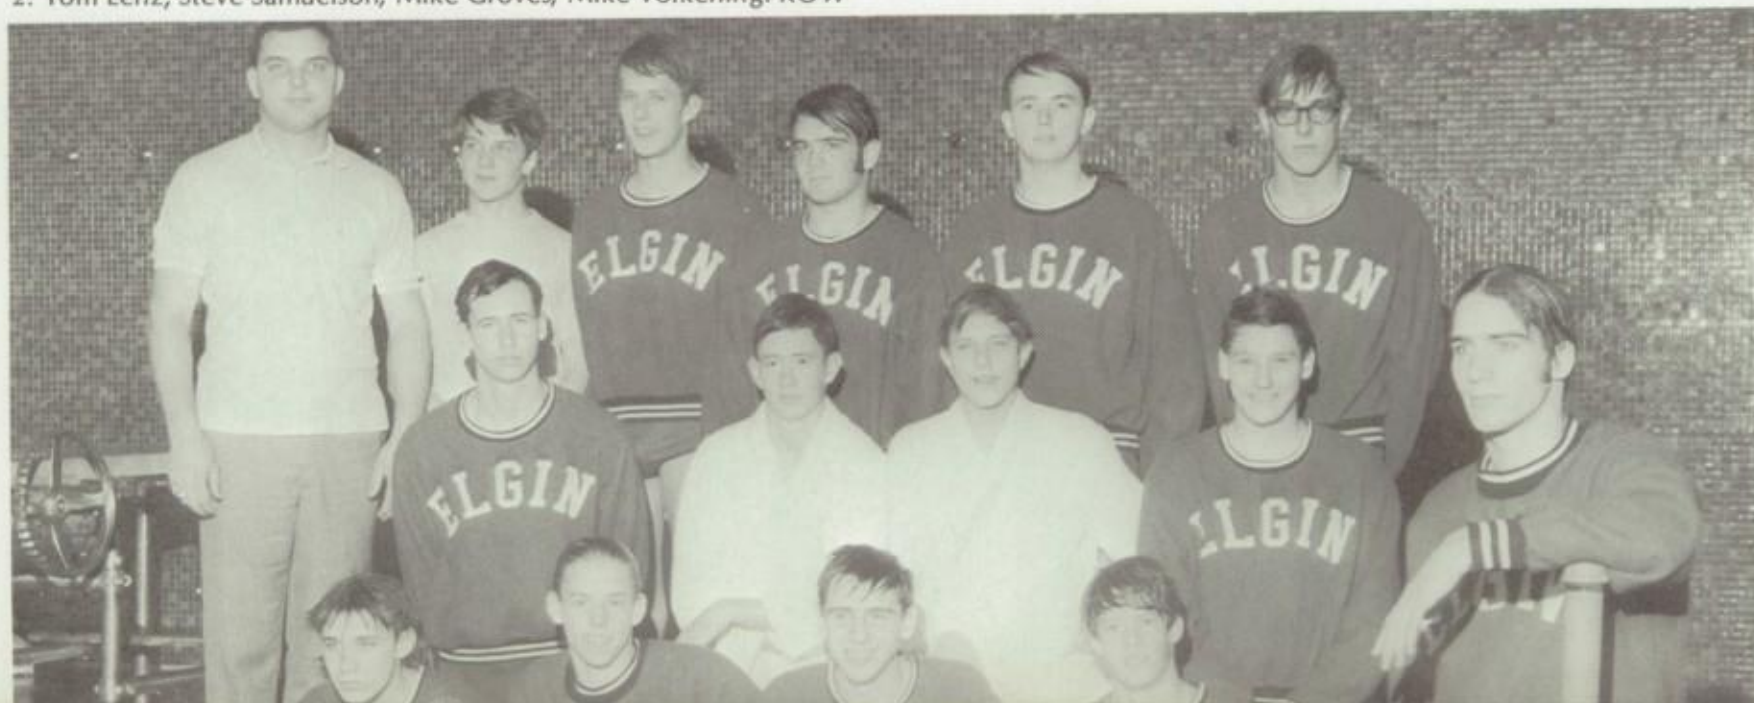

Coach Hamrin depended on the leadership of Captain, Jim Bruskewitz, who placed 16th in State.

The 1969 team was led by the record-setting mile relay team which took Seniors Russ Becker, Bob Sisler, Ron Schumaker, and Joe Goyer Downstate. Good depth should be provided by the juniors off a Sophomore team that placed second in the conference meet.

Under the tutelage of coach Phil Haffner, the Varsity Maroon baseballers have developed into a powerhouse in the Upstate Eight as evidenced by their records in 1969, 15-6-1 overall, and 7-5-1 in conference play (for a fourth place finish). The season was prolonged by tournament play in which the Maroons won their own district, the regional, and lost the final game of the sectional to Naperville by a 9-6 count. Co-Captains were Ron Lenkowski and Pete Gustafson, who was the top pitcher of the season. The top batter was Chuck Wasinger, batting .410, who will return to lead the 1970 squad. Also returning are talented seniors Bruce Richardson, Terry Faber, Ed Rockensock, Rick DeMay, Dennis Manic and Neil Getzelman. Good depth will be provided by a number of juniors off a sophomore team that placed first in the UEC with a 10-2 record.

The 1969 Varsity Tennis Team enjoyed a good season with a 10-3 season record; however, the team's 4-3 conference record was good for 4th place in the UEC. Junior Max Pokorny highlighted the season gaining a second in conference and a first in district. Although this year's team lacked in letterman with only one in Max, Coach Stephens predicted a successful season.

The 1969 Sophomore team suffered from inexperience and compiling a 3-16 overall and 1-6 conference record.

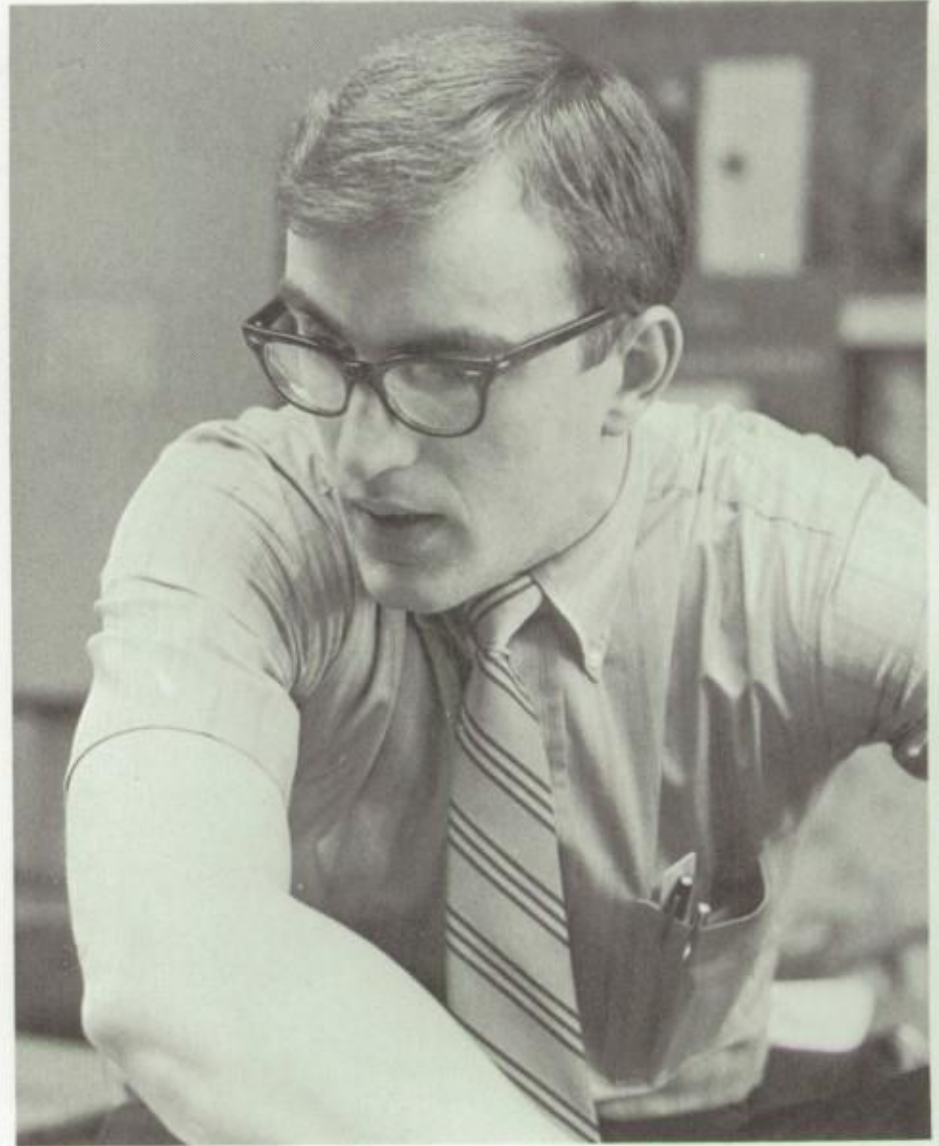

Girl's Tennis Team, *LEFT TO RIGHT*, ROW 1: Sherill McGee, Sue Cochran, Jan Whiting, Lisa Sheehan, Ann Castle. ROW 2: Mary Beckwith, Jan Lohs, Mrs. Turek, Deb Dolan, Judy Bau, Letty Bertha.

The Girl's Tennis Team enjoyed a perfect season as they went undefeated in 1969. The team was captained by Sue Cochran and large number of juniors give hope for next season.

PERSONALITIES

PRINCIPAL CHESTER ALEXANDER

I recently read an article by Arthur Gordon which presented some ideas for making life a good deal easier, happier and more productive.

If you can't change facts, try changing your attitudes. All of us have seen the person who, when morale was low, still kept his cool, kept cheerful and smiling. One man may tackle his problems with intelligence, grace and courage — another with resentment and bitterness — a third may run away. In any life facts tend to be unchanging, but *attitudes* are a matter of choice and that is up to you.

When the *ball is over*, take off your dancing shoes; no one lives on top of the mountain. You have to come down, for life is lived in the valleys.

Shine up your neighbor's halo. Everyone has a halo worth watching for and acknowledging. People have a tendency to become what you expect them to be.

Keep your eye on the law of the echo. Is the universe actually arranged so that whatever you send out — honesty or dishonesty, kindness or cruelty — ultimately comes back? It is hard to be sure, but it does, in the long run, seem true.

Don't wear your raincoat in the shower. Creation is all about us, but we keep it out by being a "buttoned-up" person. Expose yourself to all the wonders about you. Novelty sharpens the eye and ear. Have a stronger participation, a deeper involvement in life. A wise man once said that tragedy is not what we suffer, but what we miss.

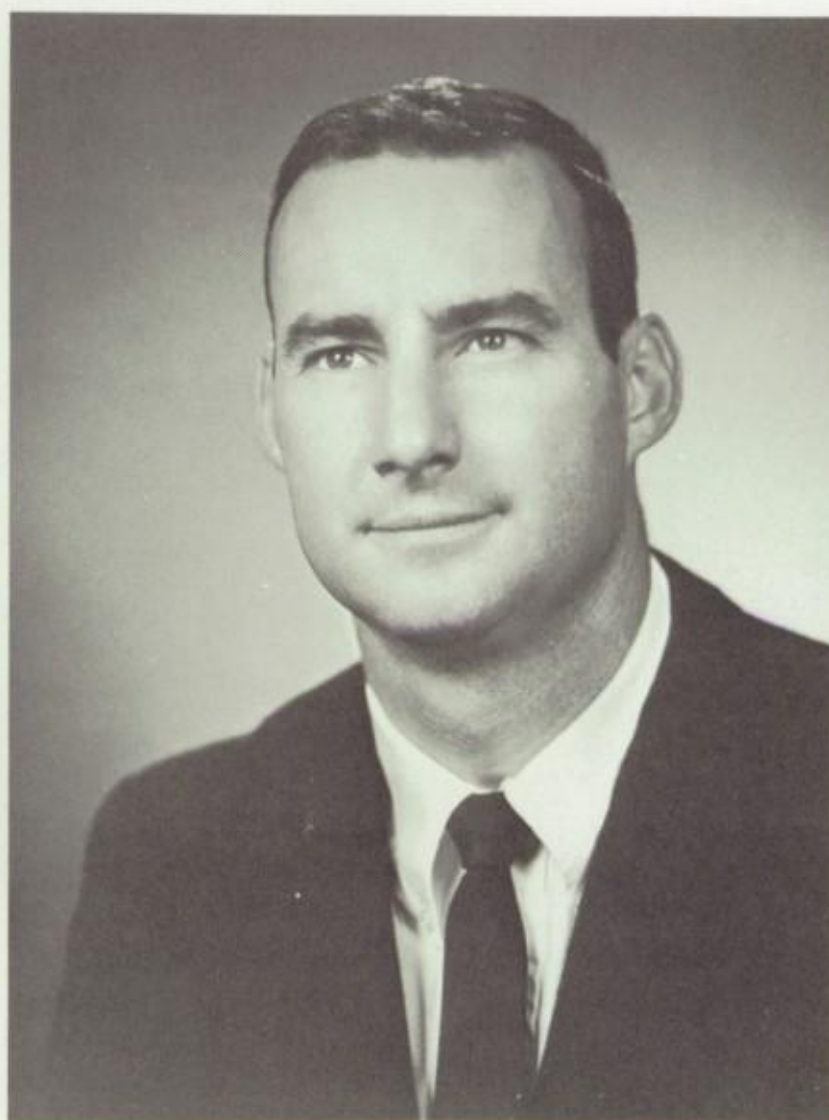

Take a look at your own "attitudes" now and see if you want to make any changes for the future.

ASSISTANT PRINCIPAL
DONALD QUILLMAN

The rapid change of the sixties has given us a preview of what the remainder of this century holds in store for us. Preparation for the kinds of experience we can anticipate will demand extensive educational and sociological change — change which will require a depth of understanding far beyond that accomplished at this time.

Since understanding others is relatively impossible until we understand ourselves, as individuals we certainly have our work cut out for us.

DEAN OF STUDENTS
JAMES ENTWISTLE

As we look to the future and the challenges of a new decade we bring with us our experiences of the sixties. Our behavior in the past is a reflection of the attitudes we have established and the values we have developed.

Our success in the future will be determined by our aspirations, goals and action taken at the start of the seventies. The next decade will reflect what we do with the challenges we meet today.

BOARD OF EDUCATION

"Seven men — tried and true" might appropriately describe District U46's Board of Education. The rapid growth of the Elgin area has placed on the school system the burden of maintaining facilities and personnel adequate to continue the education opportunities for which this district is noted.

Representing the citizens of Elgin, having been elected for this purpose, these men meet regularly to transact the varied business ranging from curriculum studies to the approval of building plans. It is the responsibility of the Board of Education to examine, usually through committee action, the various areas of concern. Theodore Akemann was re-elected president of the board, while E. C. ("Bud") Wilson, served as chairman of the finance and auditing committee. Richard Smith headed the educational committee; Dr. Eugene Blair, the properties committee; and E. Grant Swick, the insurance committee. New members, Levi Lathen and Dr. John Kellenberger, served on various committees as they became informed concerning the tremendous responsibility they have undertaken.

Cooks, *LEFT TO RIGHT*: Ruth Peterson, Viola Vasek, Mary Ross, Grace Krusemeier, Pat Dolan.

COOKS

The cooks at EHS prepare daily lunch to be a well-balanced and nutritious meal. The menu is made up a week in advance by Mrs. Ruth Peterson and okayed by the supervisor, Mrs. Piamca. The variation in the menu ranged from regular hot dogs and hamburgers to chop suey. The "a la carte" line also offered a variety of foods to choose from.

MAINTENANCE

The head of the maintenance men, Mr. Clarence Zimmerman, made sure that the school was kept in good order. The eleven custodians, including the daytime and nighttime firemen, cleaned the whole building and kept the furnace going at all times. With the age and construction of Elgin High School, these men should be commended for the job they did.

Maintenance Men, *LEFT TO RIGHT*, ROW 1: Clarence Zimmerman, Bill Peddie, John Manley, Herb Wenzel, Lloyd Stuart, Tom Young. ROW 2: William Frazier, Theodore Smith, Earl Bobsin.

CLASS OF 1970

Class officers are *LEFT TO RIGHT*: Barry Kerr-President, Cathy Kielsmeier-Secretary, Jan Daniels-Treasurer, and Tom Johnson-Vice President.

Proving its supremacy as the greatest class in Elgin High School, the Senior spirit and other activities reigned supreme over most other school functions, as was evident by the increased class participation. Homecoming preparation in October took the time and energy of many class members and turned them into a very successful weekend despite the rain. To show the deep class concern for equal opportunity, Senior Girl's Month was proclaimed in November, giving the girls the privilege of asking for a date and the responsibility of picking up the bill themselves. A special party on the 30th celebrated the close of the turnabout activities. Other interests of

the year included a winter get-together, the class supper, senior week, and preparations for graduation.

Class council's effectiveness was due to the help of close to 65 active volunteer members rather than the thirty or so who were elected from their homerooms, as was the system in the past. These Seniors, the class officers, Barry Kerr-President, Tom Johnson-Vice President, Cathy Kielsmeier-Secretary and Jan Daniels-Treasurer, and Mr. Wiggall, advisor, definitely proved that the 101st Class of Elgin High School was the "First in the Century, and the First in Progress".

CLASS OF 71

The class of '71 got off to a good start in their junior year when their float won the title of "Most in Keeping with the Homecoming Theme" in the annual Homecoming parade.

The class council met at least twice every month to discuss plans and ideas for activities. They were engaged in the planning of the prom, a car wash in the spring, and numerous sock-hops. The officers were: President — Chris Nelson, Vice-President — Bob Lea, Secretary — Paula Strojny, and Treasurer — Del Johnson. The class chose the colors red and gold and their song was to the tune of "Up, Up, And Away." They also chose the winged horse as their mascot.

Class Officers, *LEFT TO RIGHT*: Bob Lea, Vice-President; Del Johnson, Treasurer; Chris Nelson, President; and Paula Strojny, Secretary.

CLASS OF '72

Class Officers; *LEFT TO RIGHT*; Harold Getzelman, treasurer; John Pappas, vice-president; Lynn Guetschow, secretary; Mike Wasinger, president.

The Class of '72, like their mascot, the roadrunner, was off and running with the "Most Beautiful" award for their Homecoming float.

Mr. Morley, class sponsor, arranged meetings of the class council whenever the need arose. The meetings were organized by the officers, Mike Wasinger — president, John Pappas — vice-president, Lynn Guetschow — secretary, and Harold Getzelman — treasurer.

Scheduled to be the last graduating class from the old Elgin High School, they have kept the tradition by sponsoring sock-hops, washing cars, and selling to raise money for the class funds.

Class Council; *LEFT TO RIGHT, ROW 1*: Garry Ruffin, Harold, Getzelman, Kathy Richardson, Doug Handzel, Colleen Kittelson. *ROW 2*: Karen Strohmaier, Mike Wasinger, Tom Rentschler, Steve Fisher, Nancy Broker, Carol Warren. *ROW 3*: John Pappas, Alicia Doane, Bruce Morton, Rick Henderson, Dave Bell, Louis Averaino, Sue Bartels. *ROW 4*: Mark Wisser, Nora Vaughan, Jeff Blackwell, Randy Johnson, Joe Shales, Claire Holden, Terry Lange. *ROW 5*: Lynn Guetschow, Maria Mungai, Robin Patton, Nancy Siegel, Jodi Svendsen, Lana Becker, Pam Eskey.
